BVOC			X					
YHC		X	X	X	X	all should take part		
SATC			X				Lead role working w/ clubs	
CVATC		X				Yes, moderate success, Yes	Staff support and financial help	

MARO Partner Responsibility Master

	Who <u>should</u> have the primary role? Check one.	Club	ATC	ATPO	Agencies	Is the Club already doing this? Y/N If yes, Are you doing it well? Do you need assistance?	What type of assistance is needed?	Would outside partnership be appropriate? Ex. Universities, Conservancy, Audubon, etc	
MCM		X	X			Yes, so-so, Yes	Training in outreach/interp methods and assistance in recruiting vols interested in this program. MCM recently terminated their outreach program, due to lack of interested volunteers. Doing outreach/interp on as needed basis, but not proactively.		
PATC		X				Yes, OK, but not great.	Needs help with educational material, posters, cards, hang tags, education plan, Grants for Clubs and Outreach	Yes	
<b>Use Management – Ridgerunners/Caretakers</b>									
NY-NJTC		X			X	Yes, Yes	Financial and ATC training		
WTC			X			No	The ridgerunner program is outstanding. The club will continue to support the program with a \$300 donation		
BATONA									
AMC-DV		X				Yes, Yes, Yes	RR hiring/training, funding. Club has had long term vol caretaker program. for Leroy Smith Shelter.		
PTC		X	X			Yes, Yes, Yes	Administer program		
AHC		X				Yes, Yes, Yes	Funding from DCNR. Program. admin. by AMC-DV. ATC training/hiring.		
BMECC		X				Yes, Yes,			
BVOC		X							
YHC			X				Would like to see more contact with the ridgerunner		
SATC			X				Work w/ clubs to hire		
CVATC			X			Club willing to help			
MCM			X			Yes, Yes, Yes	ATC should continue to be primary administrator and supervisor for program.		
PATC		X	X			Shared responsibility, ATC trains, club administers program, joint financing. Doing well.	Financial and training		
<b>Accessibility</b>									
NY-NJTC		X				Yes, No, Yes	Technical assistance and funding		
WTC			X			No			
BATONA									
AMC-DV				X	X	No, N/A, Yes			
PTC				X		No, N/A, N/A			
AHC				X		No, N/A, No			

MARO Partner Responsibility Master

	Who <u>should</u> have the primary role? Check one.	Club	ATC	ATPO	Agencies	Is the Club already doing this? Y/N If yes, Are you doing it well? Do you need assistance?	What type of assistance is needed?	Would outside partnership be appropriate? Ex. Universities Conservancy, Audubon, etc
BMECC BVOG					X	No, No, Will need help	Technical assistance, maybe funds	
YHC SATC CVATC					X	Two lots, one at Clark's Ferry and one at PA 225	(Misunderstood the question?) ATC and NPS	
MCM		X	X			Yes, Yes, Yes	Assistance from ATC with certain training like WFA/chainsaw.	
PATC		X				Pending (at regulatory stage) but club stands ready to take primary responsibility. New Annapolis Rocks privy is accessible and next shelter will consider ADA standards.		
<b>Fundraising</b>								
NY-NJTC		X				Yes, Yes, Yes. Club has development director	Sharing lists	
WTC			X			No, club does no fundraising		
BATONA AMC-DV		X				Yes, Yes, No		
PTC AHC		X	X			N, N/A, N/A. Club budget comes from dues. ATC should do ATC fundraising.		
BMECC BVOG			X			Yes, Yes, No Club willing to help		
YHC SATC CVATC		X	X	X		Depends on purpose and use of funds "Depends on purpose"		
MCM PATC		X				Yes, no.	Yes, especially need help targeting potential sources (corporate and foundation.)	
<b>Volunteers</b>								
<b>Recruitment</b>								
NY-NJTC		X				Yes, Moderately well	Share lists	
WTC		X				Yes, if people are needed they can be recruited		
BATONA AMC-DV		X				Yes, Yes, Yes	Training on recruitment methods.	
PTC AHC		X				Y, sort of (maintaining overall membership, but concerned about future maintainers), maybe (tips on recruitment)		
BMECC BVOG		X				Yes, Yes, No Yes, moderately well, need help	Need help recruiting and training new (more) vols.	

MARO Partner Responsibility Master

	Who <u>should</u> have the primary role? Check one.	Club	ATC	ATPO	Agencies	Is the Club already doing this? Y/N If yes, Are you doing it well? Do you need assistance?	What type of assistance is needed?	Would outside partnership be appropriate? Ex. Universities Conservancy, Audubon, etc	
YHC		X					Reaching to local community maintainers, advice on how to recruit		
SATC			X				Yes, doing it well		
CVATC		X				Yes, Yes, Yes	Recruiting and training volunteers		
MCM									
PATC		X				Yes, doing moderately well. Club acknowledges need to do more themselves.			
<b>Training</b>									
NY-NJTC		X				Yes, Moderately well	Chainsaw, WFA, Natural and Cultural Resource monitoring, Advanced trail design, Monitoring, Boundary Maintenance		
WTC			X			No, assistance is needed	Club looks to ATC to provide technical training		
BATONA									
AMC-DV		X	X	X		Yes, Yes, Yes	ATC assist w/special skills training.		
PTC		X				Yes(basic skills to new vols), Yes, Yes	More complicated trail skills, like trail design, major rehab.		
AHC		X				Yes, Yes, Yes	ATC assistance w/certain training (WFA, chainsaw, etc.)		
BMECC			X			No, club willing to help			
BVOC									
YHC			X			Based on club requests			
SATC				X			Support Scott Farm as an available training venue		
CVATC			X				Depends on what for		
MCM		X	X			Yes, Yes, Yes	Assistance from ATC with certain training like WFA/chainsaw.		
PATC		X				Yes, doing well.	Could use financial assistance, expertise, training opportunities.	Maybe	
<b>Recognition</b>									
NY-NJTC		X				Yes, Moderately well, NPS program supplements nicely	Useful to have NPS program. ATC needs to step up		
WTC		X							
BATONA									
AMC-DV		X				Yes, Yes, Yes	Continued support from ATC/NPS recognition programs.		
PTC		X				Yes, Yes, No			
AHC		X				Yes, Yes, Yes	Continued assistance from ATPO recognition program.		
BMECC		X		X		Yes, Yes, appreciate NPS program			
BVOC									

MARO Partner Responsibility Master

	Who <u>should</u> have the primary role? Check one.	Club	ATC	ATPO	Agencies	Is the Club already doing this? Y/N If yes, Are you doing it well? Do you need assistance?	What type of assistance is needed?	Would outside partnership be appropriate? Ex. Universities Conservancy, Audubon, etc	
YHC				X		Very happy with NPS recognition			
SATC		X	X	X		All three work towards recognizing volunteers			
CVATC		X				Yes, needs improvement, Yes	Consulting, advice, training, money		
MCM		X				Yes, No, No	Club wants to play primary role in recognition of vols. Having hard time finding someone to take on program. May choose to do more informal recognition in the future.		
PATC		X				Yes, but only moderately well. "C-"	Yes, from ATPO vol recognition program (pins, patches, hats, vests)	Yes	
<b>Community Outreach</b>									
NY-NJTC		X				Yes, No, Need help with funding	Funding and materials		
WTC					X	No, look to ridgerunner and DWGNRA	Ridgerunner has done a good job reaching out to the community and DWGNRA communicates with EMS and local police	Town of Bangor seems to be of trail	
BATONA									
AMC-DV		X				No, N/A, Yes	Assistance from ATC on outreach message content. Training on techniques.		
PTC	Felt this was already covered in "outreach" and "recruitment" above.								
AHC		X				Yes, minimally, No			
BMECC		X				Yes, just getting started	Need training and resources		
BVOC									
YHC		X	X						
SATC		X				Yes, what's done is done well	Grants from ATC		
CVATC		X				Yes, moderately well, yes	Location of MARO is a lot of help. Need help with training and finances.		
MCM			X			No, N/A, Yes	ATC could provide club with info on specific opportunities. Because most MCM members do not live near the Trail, would be difficult to participate in community outreach. The club may be interested in participating in "targeted" opportunities.		
PATC		X				Yes, but very little "D-"	Need assistance from ATC and ATPO, Grants for Outreach, training	Yes
